Dear Parents/Caregivers

As part of our unit of work on “Our Place”, Stage One are having an excursion to Birubi Beach on Friday 16th March. We will be participating in activities to broaden our knowledge of the local area and our environment. It has been timed to suit the tides.

These activities include:
- Looking at the impact of the built environment on our beaches
- Rock pool discovery
- Cleaning-up the beach and its immediate environment
- A visit to the historical graveyard and middens

All students will be required to wear full school uniform including their hat. Please pack lunch, snacks and drinks (including at least one bottle of water) in their backpack. Please apply sunscreen before coming to school and we will reapply it at recess if necessary.

All classes will be split into smaller groups with adult supervision. Activities are based on the sand and paths except for the rock pool discovery where local experts will assist with small groups.

We are leaving school at 9:00am and returning by 2:00pm.

The cost of this excursion is $5.50 payable to the office by 18th March.

Thank you

Stage One Teachers
